PRINCIPAL
Chhatrapati Raju Sambhaji
College of Education

- We want to be associated with one of the finest colleges in India. Hence we are constantly on the lookout for the next best college where we can perform our knowledge transfer.
- Also it is essential to donate as much knowledge we have gained to deserving students and facilities. Thus what we call as knowledge domain is waiting to be dispersed among students of many colleges.
- Our primary aim is to bridge the link between the growing demand for technical jobs and its education. This is where the knowledge transfer comes in.
- Hence with this association, all our agendas are being satisfied and we are more than happy to be associated with such reputed college.

LIMITATION ON USE:

These both institutions does not permit the utilization of its name brand for use by any other association partner, other college without prior permission. Breaching of the clause would lead to immediate legal action.

CONFIDENTIALITY:

License agrees to observe complete confidentiality with respect to the college & schools will not disclose any information, copy, reproduce or after the information provided.

ENTIRE AGREEMENT:

This memorandum of understanding is a legal agreement between C.R.S. College of Education, Jalgaon and N.M.K.C. Engineering College, Bambhori which is a signatory of the entire MOU. This both colleges are affiliated to two other different universities.

The MOU is valid for a period of four years from the date of signing.

Report

Objective :- 1) To encourage innovation and creativity amongst students by using waste material

2) To create environment sensitivity

3) To develop Entrepreneurship skills amongst the student

Brief Report :- This activity was organized to explore and encourage innovativeness and creativity in students and offer them a platform to showcase their skill It inspires artistic excellence.

Student participated enthusiastically in the competition to develop the skill and seen the best power point presentation has been look and seen very carefully students come up with amazing ideas using waste material. A variety of material like news-paper, straws, orange peel etc. were used to design useful goods like crockery stand, photo frame, hand purse, chandeliers oil lamp, shippers etc. show in the P.P.T slides to make them by the students and appreciated by everyone.

Prof. Mr. Rajesh Pawara Co-ordinator of this programme and Mr. Vishvanath Mahajan quiet helpful in organizing the event and giving motivation to the students.

Prof. Mrs. Madhuri D. Patil is guest Lecture and show some P.P.T to show the students and the need of waste is Recycle and to produces new best material in making each and every product to develop skill and creativity, strength of the product waste materials used Utility value of the product Quality of finish the best of waste Recycle material P.P.T presentation.

Lastly thanks to all those a given and needful and creative programme in college and Training them of teacher to develop the creativity and knowledge of students "best of waste" P.P.T Presentation and skillful knowledge & event will be successive competition by co-ordinator & thanks to guest Lectures. Thus fun filled activity witnessed an enthusiastic participation of all the students. The function ended smoothly with vote of thanks.
